AMERICAN WRESTLERS SHARES “[KELLY](#)” VIDEO

AMERICAN WRESTLERS OUT NOW ON FAT POSSUM

Today, **American Wrestlers** shares his video for the undeniably catchy (and deceptively dark) single “**Kelly**.” In the Laura Lynn Petrick-directed video, we see a cowboy hat-sporting, chain-smoking, beer-drinking man confined to a chair in his overstuffed garage, experiencing the vast expanse of Americana through the lens of his tube television, seemingly nonplussed by all he sees. Watch the video below.

PRAISE FOR AMERICAN WRESTLERS

“With its brash, nostalgic hook and time-warped guitars... ‘Kelly’ sounds kind of like a lo-fi Phoenix song” –
The FADER

“Who knows what we’ll eventually find out about American Wrestlers...for the time being, the blinders are on and the glowing hooks of ‘I Can Do No Wrong’ effusively speak for whoever’s behind the curtain.” - **Pitchfork**

“The song is masterful and difficult to define: translucent lo-fi new wave laced with rustic strums and jazzy flourishes, sung with a gentle falsetto akin to Hot Chip’s Alexis Taylor but with additional whimsy.” -
Stereogum [Band To Watch]
