North American Tour Begins Next Week

“It’s a wild, twisted ride into and out of Segall’s psyche — the sound of a restless mind attempting to turn itself inside out.” – *NPR Music*

“garage-punk wunderkind flaunts all his frantic energy and wild-eyed humor on *Emotional Muger*.”
– *Rolling Stone*

“. . . as he’s developed as a songwriter, he’s grown more adventurous and even more dependable. The bigger the catalog, the better.” – *The AV Club*

Ty Segall is quickly becoming known as one of the greatest performers of our era. Last night’s maniacal performance on ***The Late Show with Stephen Colbert*** was yet another exemplary display of this outstanding prowess. Just two weeks following the release of new album, ***Emotional Muger***, and less than a week before kicking off the second North American tour in support of the new record, **Ty Segall & The Muggers** -- **Kyle Thomas** (aka **King Tuff**), **Mikal Cronin**, **Emmett Kelly** (aka **The Cairo Gang**) and **Wand’s Evan Burrows** and **Cory Hanson** -- performed *Emotional Muger’s* sleazy single “**Candy Sam**.”

Watch it below, and catch the band all over North America beginning next week.
