MAKE SURE TO CATCH JOEY AT SXSW NEXT WEEK!

"...while sports music might bring to mind pump-up jams from Eminem and Queen, Dosik opts for velvety jazz melodies and honeyed vocals in the style of Marvin Gaye, treating the sport more like a choreographed dance than a muscle showdown." — *Billboard*

"Joey Dosik has a feather-light voice, and ‘Game Winner’ moves with the restrained sensuality of early 1960s soul. But this isn’t an ornate or gaudy kind of revivalism. Mr. Dosik sings with gentle nudge, and has found the style to match..." — *The New York Times*

Fresh off the deluxe issued re-release of his debut EP, *Game Winner* (out now **Secretly Canadian**), and late night television performance on *Jimmy Kimmel Live!*, **Joey Dosik** is pleased to share video from a performance of standout track, “**Running Away**,” which premiered this morning via *Billboard*. Filmed and recorded at **Revival at The Complex**, the famed Los Angeles-based studio conceived of and built by **Earth, Wind & Fire** in the late 1970s, the warmth and eminence of the studio’s legendary rooms is palpable in the recording. Watch the video [here](#).

If you’re headed to **SXSW** next week, makes sure to catch one of Joey’s performances, and be on the lookout for at least one pop-up show amidst the Austin melee. Joey’s full and current SXSW schedule is below.
