“an album that is at once beautiful, complex, and assured.” - [Pitchfork](#)

“A surprising, sometimes puzzling, and always beautiful album that continues to unfold days, weeks, and months after you first heard it.” - [Uproxx](#), #1 Best Folk Album of 2017

“The sheer force of Elkington’s virtuosity is an attraction unto itself, but the amazing thing about it isn’t the playing. It’s the way Elkington uses that gift as a means rather than an end.”
- [Stereogum](#), Album of the Week

"guitar king" — [FADER](#)

“The acoustic guitar hotshot’s solo debut taps into 70s Britfolk while adding a poetic modernity.”
