FUZZ Returns and Announces North American Tour

Photo Credit: Denée Segall

“this is music meant to be played at a volume walls can't contain. Fuzz's namesake is no joke, either — this is proto-metal, anvil-head blues-rock, thick like cement about to harden.”

- *NPR Music*

FUZZ, comprised of **Ty Segall** (drums, vocals), **Charles Moothart** (guitar, vocals), and **Chad Ubovich** (bass, vocals), announces a **North American tour** - their first since winter 2015. The band will bring their rowdy live shows across the states, including three nights at **Los Angeles's Teragram Ballroom** and to **Chicago's Thalia Hall, New York's Bowery Ballroom**

and **Music Hall of Williamsburg**, and more. There will be additional FUZZ-related news in the coming weeks. Tickets go on sale **Friday, January 31st at 10am CT.**
