Angel Olsen Presents “[All Mirrors \(Johnny Jewel Remix\)](#)”

**Announces Still At Home: An Evening of Songs on Piano and Guitar,
Sat. April 11 @ 6pm Eastern**

“All Mirrors (Johnny Jewel Remix)” Track Artwork

Today, **Angel Olsen** presents a **Johnny Jewel remix** of “**All Mirrors**,” the title track off her album released last year on **Jagjaguwar** that sees Olsen “shape-shifting, genre-hopping, and above all things blossoming” (*The Ringer*). Jewel - a multi instrumentalist, producer, composer, and member of **Chromatics**, **Glass Candy**, **Desire**, and **Symmetry** - transforms the theatrical “All Mirrors” into a dance-driven pop track. Olsen’s stunning, singular voice is backed by oscillating beats and pulsing synths.

“I’ve been listening to Chromatics for years but I never thought I’d get the chance to meet them or work with Johnny,” says Olsen. “It’s always interesting to me what other people hear in something, how one slight movement can change a song completely. I love how he took my

vocal lead melody and followed it, making a completely different route for 'All Mirrors' as a wonder-dream dance song.”

Year-End Praise for *All Mirrors*:

“On *All Mirrors*, [Angel Olsen] spreads her leathery wings and nearly blots out the sky. Her most dramatic release yet, *All Mirrors* telegraphs to us in Andrew Lloyd Webber-sized gestures.” - *Pitchfork*, #4 Best Albums of 2019

“[*All Mirrors*] runs screaming from her quiet side, with songs propelled by string arrangements that, along with her dramatic vocal performance, enhance the lyricism of some of Olsen's most energetic songs.” - *NPR Music*, #2 Best Album of 2019

“Olsen’s most colossal statement yet, pairing symphonic grandiosity with a lyrically moving investigation into heartbreak and what makes it so heartbreaking in the first place.”
- *MTV*, Albums of the Year

“ a vivid and deeply human record from an artist who is at the peak of her abilities.”
- *Esquire*, Best Albums of 2019

“Often dark, gorgeous, and riveting, [*All Mirrors*] stands as an early career peak for an artist whose creative momentum most likely won’t ultimately allow it to define her.”
- *Under The Radar*, #1 Album of the Year

“*All Mirrors* is like a grand, cinematic rendering of the quiet guitar tracks and synth showstoppers from Angel Olsen’s last two albums. Its songs have the sultry sheen of James Bond theme music and the shadowy swoon of a *Twin Peaks* score, fog dissipating around deceptive reflections and self-delusion.” - *Stereogum*, #2 Best Album of 2019
