*Demos Vol. 1 - Topanga Canyon, CA - Feb 2018*

Today, **Big Thief** release *Demos Vol. 1 - Topanga Canyon, CA - Feb 2018*, a collection of unreleased songs from the sessions that spurred **U.F.O.F.** and **Two Hands**. The demos are available to purchase with **all proceeds benefiting Big Thief's touring crew**. Available to stream now, "**Live Young Demo**" offers a taste of the collection. It opens with hypnotically repeating percussion and guitar, quietly blooming with **Adrienne Lenker**'s magnetic voice. Towards the track's close, an interplay begins between the song and ambient drones and noises of unplaceable origin.

*We spent the month of February 2018 in a cabin in Topanga Canyon, California, recording 34 demos that were boiled down to become UFOF and Two Hands, and we're bringing a handful into light now to share with everyone. We chose 5 of our favorites - none of which appear on any Big Thief records and a couple of which appear in different forms on Adrienne's abysskiss. 100% of the funds we make from this release will go to our faithful road crew, whose income has been impacted by the disruption in our touring schedule. They are the lifeblood of the Big Thief shows and we care so deeply for each and every one of them.*
