PRAISE FOR ZIEMBA

"Ziemba colors her baroque pop with an opulence that's simultaneously timeless and otherworldly." - **NYLON**

"Kladzyk's songs are perfect for a wide variety of settings: an experimental theater production, a slow dance at prom, an Olympic opening ceremony or an accompaniment to calming nature webcams. Her powerful, ribbon-like voice truly knows no bounds, and her songs are lovingly crafted." - **Paste**

"a collection of unabashed love songs" - **The Creative Independent**

"Her latest releases, from her coming album *True Romantic*, are decidedly down to (this) earth. The title track, boasting decadent vocal styles and a touch of flute, is a heartfelt melodrama of love letters and daydreams." - **MTV News**

"['Power of Love' is] a big, emotive power ballad, and Kladzyk is very intentionally placing it in that storied lineage of pop songs." - **Stereogum**

"'Harbor Me' is one of the tensest on *True Romantic*: taunted guitars teetering on atonality, an unrelenting drum line, a dramatic distance between Kladzyk's voice and the mix." - **The FADER**
