WATCH ADRIANNE LENKER PERFORM “[ANYTHING](#)” ON *THE LATE SHOW WITH STEPHEN COLBERT*

SONGS AND INSTRUMENTALS OUT NOW ON 4AD

Big Thief’s **Adriaenne Lenker**, “one of her generation’s greatest songwriters” (*Pitchfork*), released two stunning new albums, ***songs*** and ***instrumentals***, via **4AD** this past fall. They were met with resounding praise by fans and critics alike, the albums earning spots on many year-end lists, including *New Yorker*, *NPR Music*, *Pitchfork*, *Vice*, and more. Today, Lenker presents a performance of “**anything**” on ***The Late Show with Stephen Colbert***. The performance was shot in Joshua Tree at sunrise. It was directed by **V Haddad** and **Adam Gundersheimer** and its audio was recorded/mixed by **Scott Cornish**. The intimate video reflects her inescapable magnetism as she sings over hypnotic finger pickings. This is Adriaenne’s solo network television debut, and comes on the heels of two Grammy nominations for her songwriting with Big Thief (Best Rock Performance, Best Rock Song).

Praise for songs and instrumentals

"We hear acoustic guitar, her voice, the sound of the cabin and whatever bugs and birds happen to be in the background of the poetic paintings she sings. The intimacy is magnetic." - *NPR Music*

"In her folk-rock songwriting and in interactions with her Big Thief bandmates, the musician's raw openness creates strange and thrilling effects." - *New Yorker*

"Some of these songs are as lovely as any Lenker has ever written: lush and verdant, chords fanning out like ferns, their major-key tonalities at odds with the heartbreak at the album's core." - *Pitchfork*

"Like Neil Young in the mid-early Seventies, each one of Lenker's personal peaks, be it 2017's tour de force *Capacity*, or 2019's ethereal *U.F.O.F.*, turns out to be yet another stepping stone towards something revelatory." - *Rolling Stone*

"a brilliant songwriter with a sincere commitment to music and a deeply rooted work ethic." - *Vice*

"Every time you press play Lenker seems to be breathing this music to life right now, in this very moment, and she's chosen to let you in on her private grief." - *Stereogum*
