"Everything is a beautiful record from wall to wall [...] It is worth every year that went into it" - Pitchfork

Today, Chicago-based quintet **Bnny** presents a **new single**, "**I'm Just Fine**" via **Fire Talk**. "**I'm Just Fine**" follows **Everything**, Bnny's acclaimed 2021 debut, and continues on their dreamy moonlit path. Frontwoman **Jess Viscius**'s knack for storytelling shines through, making the most casual encounters pack an emotional punch. Ethereal acoustic guitar carries the track's wistfulness, threading Viscius' vocals to a narrative that cuts deep and lingers. "**I'm Just Fine**' is about the sensation of time moving slowly when you are missing someone," explains Viscius. "It's about attempting to deny that you are heartbroken in order to protect yourself."

"**I'm Just Fine**" precedes a run of spring tour dates supporting **Ian Sweet** and **Molly Burch**, beginning next month. Full dates are listed below.

Last year's *Everything* may as well be a field recording taken from the long country of grief. Garnering praise from the likes of *NYLON*, *Pitchfork*, *DIY Magazine*, *The Line of Best Fit* and more, Bnny's sparse but wrenching Americana has earned her cosigns from musical peers like **Cassandra Jenkins**, **Kate Nash**, and **Kevin Morby**. Bnny is led by Jess Viscius alongside her twin sister **Alexa Viscius**, plus best friends **Tim Makowski**, **Matt Pelkey**, and **Adam Schubert (ULNA)**. Together they render songs as inky noir vignettes, giving *Everything* a sense of poise and power that's cool to the touch, even as the songs find Viscius at her most vulnerable. *Everything* is played in shades of blue, with Viscius' half-whispered vocals like the color of morning light peeking through the blinds.

PRAISE FOR BNNY

“there’s also a lot of beauty in Viscius’ coolly melodic psych rock, not least of all in how honestly she sketches the experience of plumbing such bewildering depths of loss.”
- *Bandcamp*

“With a smoky alto and languid delivery, Bnny’s Jess Viscius uses her cloud-vapor voice to bely the harrowing emotional content of her lyrics. Matching them with her band Bnny’s spare, country-tinged Americana makes for a compelling combination.”
- *AV Club*

“*Everything* is a deceptively bold debut that opts to do more with less, relying on polished rock minimalism and the raw emotion of Jess Viscius’ songwriting to land its knockout blows.” - *Paste*
