**Big Thief** are “one of the most salient acts of the twenty-tens” (*New Yorker*). Last night, they appeared on *The Tonight Show with Jimmy Fallon*. Although **Adrienne Lenker** has performed for *The Tonight Show* in the past, this is the full band’s *Tonight Show* debut. They played “**Spud Infinity**,” a charming and cheeky track off of their new

album, ***Dragon New Warm Mountain I Believe In You***. *DNWMIBIY* is one of the most-praised albums of 2022 thus far, and this radiating *Tonight Show* performance gives a taste of what to expect on their **highly-anticipated North American tour**, which kicks off later this month.

### **PRAISE FOR *DRAGON NEW WARM MOUNTAIN I BELIEVE IN YOU***

“*[Dragon New Warm Mountain I Believe In You]* is a 20-song epic of kaleidoscopic invention, striking beauty, and wiggled-out humor, rambling far beyond the bounds of their previous work.” - *Pitchfork*, BEST NEW MUSIC (9.0)

“a sweeping, high-concept statement that sounds like an impromptu, private performance, and its range of instruments, musical styles, and production techniques suits its size, approximating the platonic ideal of a double album.” - *The Ringer*

“*[Big Thief are]* the best indie-folk band around.” - *Rolling Stone*

"[Adrienne Lenker's] songwriting grows richer and the band's playing is even more telepathic." - *Wall Street Journal*

"The same sound is there, but it's evolving, growing more complex in its arrangements, zipping from pure country to indie folk, from eccentric arrangements to straight-up alt-rock. These songs take chances, and Lenker's writing remains intense and impressionistic." - *Vulture*

"Believe the hype." - *Stereogum*
