Wilco's Solid Sound festival takes place **May 27th - 29th** at **MASS MoCA** in **North Adams, MA**. Today, the festival announces the addition of two performers to an already eclectic music lineup: **Kamikaze Palm Tree** and **Claire Rousay**, as well as two comedians to the lineup for **John Hodgman's Comedy Cabaret: Ayo Edebiri** and **Josh Gondelman**. Solid Sound also announces the year's **non-music programming** and

releases the festival's **daily lineups**. Single day tickets go on sale today, **Thursday, April 14 at 8AM ET**.

In addition to the expansive galleries of MASS MoCA, with long-term installations by James Turrell, Laurie Anderson, Sol LeWitt, Jenny Holzer, and Anselm Kiefer, the festival includes a fully programmed comedy stage hosted by **John Hodgman** with co-host **Jean Grae**, naturalist/outdoor activities, a broad variety of family activities, local food, craft beer and cider. More non-music programming includes a presentation of the Pulitzer Prize-nominated podcast **Ear Hustle: Flipping the Script on Prison Stories**, a **Substack Mystery Hour featuring Neko Case**, mindfulness workshops, a live display of the photography book **Mirror Sound**, silkscreen demos, and more.

This year's musical lineup features **Japanese Breakfast, Sylvan Esso, Bonnie 'Prince' Billy, Sun Ra Arkestra**, and much more. As in past festivals, it would not be Solid Sound if it didn't feature **multiple headlining sets from Wilco**, alongside band members' various independent projects. From rock, jazz, indie, and hip hop artists to live falconry, stargazing workshops, and axe-throwing, Solid Sound aims to delight the curious.

About MASS MoCA: Presenting the best visual and performing arts of our time, MASS MoCA is housed in a renovated 19th-century factory campus, featuring dozens of spacious, light-filled galleries and a variety of performance venues — both indoors and out. In May 2022, MASS MoCA will add additional gallery space, which will make it the largest contemporary art center in the country, with over 250,000 sq. ft. devoted to exhibitions.
