Angel Olsen is taking the **Big Time Band** back on the road! On the heels of a stunning performance at **Americana Fest** and the release of her “**Big Time**” collaboration with **Sturgill Simpson**, Olsen announces a slew of new 2023 dates, including **Atlanta, New Orleans, Pittsburgh, Baltimore** and more, all cities she has not yet played in support of *Big Time*. Full dates are listed below and tickets for the newly announced shows are on sale **this Friday at 10am local time**.

Big Time is one of the year’s most celebrated works. Surrounding its release, Olsen was [profiled in *The New Yorker*](#), received a wealth of glowing reviews, performed on [Jimmy Kimmel Live!](#) and [The Tonight Show Starring Jimmy Fallon](#), and took the **Wild Hearts**

Tour with **Sharon Van Etten** and **Julien Baker** all over the country. Next week, she heads to the UK and Europe for the first time in support of the new album.

Best of 2022 (So Far) Praise for *Big Time*:

“*[Big Time]* is a jaw-droppingly confident step into the spotlight.”

- *Rolling Stone's* Best Albums of 2022 So Far

“Angel Olsen’s voice, colossal but intimate, vulnerable when she wants to be but electrifyingly resolute when she has to be, was made for country music, for the warm caresses of deep reverb and pedal steel, for searing explorations of grief and soaring declarations of new love.”

- *The Ringer*, #6 in Best Albums of 2022 (So Far)

“‘Big Time’ is the kind of rare, generation-spanning album that you could give to your sister, your aunt or your grandparents.” - *Variety*, The 20 Best Albums of 2022 (So Far)

"Americana has brought whole new hues to the artist’s earth-shattering songwriting.”

- *The AV Club*, The 25 Best Albums of 2022 (So Far)

“Fueled by self-discovery, heartbreak, grief, and new love, these new songs are heavy with emotion, and they never cease to be mesmerizing.”

- *Stereogum*, The 50 Best Albums of 2022 So Far

"[*Big Time*] draws on the vintage twang of Tammy Wynette and cinematic soul of Dusty Springfield to telegraph her profound loss and the reprieve that only newfound love can bring."

- *Entertainment Weekly*, The Best Albums of 2022 (So Far)

"*Big Time* is a deeply focused record from beginning to end, not just because of the lyrical journey it takes us on, but sonically."

- *No Depression*, #1 in Best Roots Music Albums of 2022 (So Far)

"It's a one-woman show, a prize fight where the challenger no-showed. *Big Time* isn't a bummer opera; it's a last-call, honky-tonk bar encore—and it rules."

- *Paste*, #4 in The 50 Best Albums of 2022 (So Far)

"*Big Time* is humbled and down-to-earth as Olsen attempts to make sense of the contradictions in her life; grief amid love, and tragedy amid romance."

- *Uproxx*, The Best Albums of 2022 So Far

"With *Big Time*, Olsen proves that she's just as adept a country torch singer as she is a punky rapsallion, scruffy indie rocker, or chamber-pop chanteuse."

- *Slant*, The Best Albums of 2022 ... So Far

"A record that lives up to its name in myriad ways"

- *Treble*, The 33 Best Albums of 2022 So Far
