"A freewheeling, and gloriously alive album of 20 staggering tracks, Big Thief's Dragon is a spirited journey filled with inside jokes, natural beauty, and humanity"

- *Esquire*, The Best Album of 2022 (So Far)

“Over the course of 20 sprawling tracks, you'll hear flute, electric guitar, tambourines, accordion, and someone playing icicles. Eve takes a bite of the apple. Hearts are broken. Days rush by. Time stands still. Dragon chronicles all of it.”

- *Entertainment Weekly*, The Best Albums of 2022 (So Far)

“[O]n *Dragon New Warm Mountain*, the Adrienne Lenker-led band proves they are unconcerned with keeping the status quo. This freedom and confidence makes for a wonderfully sprawling project that will keep you guessing from cover to cover.”

- *Billboard*, The 50 Best Albums of 2022 So Far: Staff Picks

“[*Dragon New Warm Mountain I Believe In You* is] evolving, growing more complex in its arrangements, zipping from pure country to indie folk, from eccentric arrangements to straight-up alt-rock. These songs take chances, and Lenker’s writing remains intense and impressionistic.” - *Vulture*, The Best Albums of 2022 (So Far)

“An instant classic.” - *Uproxx*, The Best Indie Albums Of 2022 So Far

2022 has been an electric year for **Big Thief**. *Dragon New Warm Mountain I Believe In You*, released this past spring via **4AD**, is one of the best albums of the year, “a 20-song epic of kaleidoscopic invention, striking beauty, and wiggled-out humor, rambling far beyond the bounds of their previous work” (*Pitchfork*, 9.0 BEST NEW MUSIC). Surrounding its release, the band appeared on *The Late Show with Stephen Colbert*, *The Tonight Show with Jimmy Fallon*, and *The Late Late Show with James Corden*, and played sold-out shows all across North America and Europe. Today, they announce that they’ll bring their live show on the road **to North America, plus the UK/EU in spring 2023**. They’ll take the stage at some of the biggest venues of their career, including a stop at Nashville’s legendary **Ryman Auditorium** and a tour finale at New York’s **Radio City Music Hall**. Big Thief’s live performances are inimitable, and this is one tour not to be missed. Tickets are on sale **this Friday at 10am local time**. A 24-hour Spotify presale period will begin this Wednesday at 10am local time.

BEST OF 2022 (SO FAR) PRAISE FOR BIG THIEF

“Big Thief’s new 20-song double album finds them at their most whimsical and their most serious, their most experimental and their most down-to-earth. It’s the most sprawling, ambitious thing they’ve done”
- *Brooklyn Vegan*, Our 50 Favorite Albums of 2022 So Far

“Few bands attempt to create something on such an epic scale, and perhaps none pull it off as well as Big Thief.” - *FLOOD*, The Best Album of 2022 (So Far)

“There’s comfort, thoughtful insight and humor in Big Thief’s 20-song album. I mean, who else rhymes ‘finish’ with ‘potato knish’? The band’s five albums over the past six years have all appeared on my year-end lists; here, Big Thief expands its sound to include fiddle, banjo, jaw harp and a bit more magic.”
- *NPR*, NPR Music’s 36 Favorite Albums of 2022 (So Far)

“*Dragon New Warm Mountain I Believe in You*, a freewheeling creature that vibrates with the restlessness and ramshackle intimacy that have long distinguished this band, blown out to a new scale. [...] It is Big Thief’s loosest album and most ambitious album all at once.”
- *Paste*, The 50 Best Albums of 2022 (So Far)

“RIYL: John Prine, trying to describe just how much you love someone, the faint smell of Dave Matthews Band”
- *Pitchfork*, The 39 Best Albums of 2022: Our Favorite Music of the Year So Far

“*Dragon New Warm Mountain I Believe in You* takes no time at all to warm up to, but rewards every ounce of further energy you put into it”
- *The Ringer*, The Best Albums of 2022 (So Far)

“It’s a massive, sprawling double-LP that never drags, thanks to its palpable warmth and joy.” - *SPIN*, The 30 Best Albums Of 2022 (So Far)

“Just when some of us might have wanted to ask if Big Thief are really *that* good, they come back with an album that leaves no room for argument.” - *Stereogum*, The 50 Best Albums Of 2022 So Far
