## The Mary Onettes Share New Double Single, “Forever Before Love” b/w “Future Grief”

Swedish indie-pop masterminds **The Mary Onettes** return with a new double single, “**Forever Before Love**” b/w “**Future Grief**” on **Welfare Sounds**. These songs mark a return to the dreamy, overcast pop that has been The Mary Onettes’ trademark since first forming over 20 years ago, reiterating the signature craft that has put their music in the hearts of indie-pop connoisseurs around the world.

“Forever Before Love” is about finding the way back to yourself after a very long relationship. The process of trying to connect with the person you were before that,” explains The Mary Onettes’ main song writer **Philip Ekström**.

While “Future Grief” contains a guest appearance from **Agnes Aldén**, a close friend of brothers Philip and his brother **Henri Ekström**, an addition that gives the song an extra vocal dimension. “This track has been around for quite some time. We recorded the vocals with Agnes in 2016 and we have been waiting eagerly to share this one. Agnes wrote the lyrics for

the verse and I wrote the words for the choruses, which gives the story a nice two angel perspective.”

Following the release of “Forever Before Love” b/w “Future Grief”, The Mary Onettes will embark on a headlining tour of Sweden, and perform a homecoming festival show in Huskvarna, before starting to work on their upcoming album.

The Mary Onettes formed in 2000 and quickly gained a devoted following with their unique brand of indie-pop, drawing comparisons to bands like The Smiths and Echo & the Bunnymen. Over the years, they’ve released a string of critically acclaimed albums and singles, earning praise from publications like *Pitchfork* and *NME*. Although development is crucial for a band, one thing has remained the same — the songs. The band revolves around Philip’s songwriting and although some songs have been stripped down, rebuilt or even thrown away throughout the years, they have kept coming.

With the recent release of the singles “**What I Feel in Some Places**” and “**Easy Hands**,” as well as the long-awaited vinyl treatment of their 2018 smash hit ***Cola Falls EP***, The Mary Onettes have gained both creative momentum and international praise.
