## Woodsist Festival Announces 2023 Lineup

Returns to Upstate New York September 23-24

Lineup Includes Kevin Morby, Kurt Vile and the Violators,  
Avery Tare, Woods, Cass McCombs, Bombino + more

The beloved **Woodsist Festival** returns to **Arrowood Farms** in **Accord, New York** on **Saturday, September 23th-Sunday, September 24th**. This year's festival features **Kevin Morby, Kurt Vile and the Violators, Avery Tare, Woods, Cass McCombs, Bombino, Natural Information Society, Scientist, MJ Lenderman, Water from Your Eyes, Alabaster DePlume, Taper's Choice, Daniel Higgs, Tyvek, Anna St Louis,**

**Aquarium Drunkard DJs, and Tubby's DJs.** The 2023 lineup also showcases the largest number of artists to perform at the festival to date while ticket prices remain the same as in past years with fees capped as much as possible. Arrowood Farms, a sustainably-minded farm brewery and distillery located in New York's scenic **Hudson Valley**, will host the performers on two alternating stages throughout the weekend and feature food from local Hudson Valley-based vendors and craft beer brewed directly on site. Tickets go on sale at **10:00AM ET on Thursday, June 29th** at [www.woodsistfestival.com](http://www.woodsistfestival.com).

As in previous years, **Jeremy Earl of Woods** has curated the festival's eclectic lineup. For nearly two decades, Woods have accumulated a striking extended family of collaborators (and Woods alum) that have made them one of the most dependable outfits in the kaleidoscopic low-key underground. It's a glow that's transferred whole to the blissed-out Woodsist Festivals, which continually folds in a wide range of diverse sounds. From the jazz cosmaverse of the **Sun Ra Arkestra** and adventurous legends **Yo La Tengo**, to a hard-to-count network of returning contemporaries like Kevin Morby (who served a few tours of duty as Woods bassist) and Kurt Vile (who released his 2009 debut on Woodsist), Woodsist Festival has created a living community in sound.

The inaugural Woodsist Festival took place in Brooklyn in 2009 with Thee Oh Sees headlining alongside a number of acts including Beach Fossils, Real Estate, and Kurt Vile. Since then, the festival has been presented in various locations including Big Sur, Point Reyes National Seashore, and Pioneertown, CA. The festival found its home at Arrowood Farms in 2019, presented in partnership with Ground Control Touring and premiere Hudson Valley concert promoters, Impact Concerts, and returned again in 2021 and 2022.

For more information, including lineups, event news, and the latest updates, please visit [www.woodsistfestival.com](http://www.woodsistfestival.com).

**About Woodsist:**

Woodsist is an independent record label founded in 2006 by Jeremy Earl of the band Woods. Originally born in Brooklyn, the label is now based in Stone Ridge, New York. For additional information, please visit <https://woodsist.com/>.

**About Impact Concerts:**

Impact Concerts is the Hudson Valley's premiere concert and festival producer, creating carefully curated music and lifestyle events showcasing internationally-renowned artists alongside local crafts, food, libations, and cannabis. For additional information, please visit <https://www.impactconcerts.com/>.

**About Arrowood Farms:**

Arrowood Farms is a sustainably minded farm brewery, distillery, dining and event destination in the beautiful and bountiful Hudson Valley, regularly hosting concerts and festivals including the Woodsist Festival, Dirt Farmer Festival, Felice County Fair, and Follow The Arrow Festival. For more, please visit <https://arrowoodfarms.com/>.

**About Ground Control Touring:**

Ground Control Touring is a boutique booking agency based in Brooklyn and Los Angeles, offering international tour booking services to a tightly focused roster of artists. Their hands-on approach to the careers of their clients has taken the recent form of producing bespoke festival and curatorial properties alongside them, including both Woodsist Festival and Felice County Fair in the Hudson Valley and additional events elsewhere throughout North America. For additional information, please visit <http://www.groundcontroltouring.com/>.
